"These gatherings are more than just co-working sessions.
they're inspiring hubs of collaboration, networking, and
knowledge sharing"

TALK OF THE WEEK

Rick Ossendrijver - Software Developer at Picnic
"Boosting developer effectiveness with
a Java platform team" **16:00**

Discover how our Java platform team empowers over 300 developers with tools and shared libraries, streamlining development and ensuring adherence to best practices. Additionally, learn how automation drives consistency and standardization, enhancing efficiency and quality across Java services. Lastly, gain insights into centralized Maven configuration, developer tools, and CI/CD practices that enable developers to focus on core business logic.
